

LinTech Global Awarded IT service contract 8(a) STARS II Governmentwide Acquisition Contract (GWAC)

Farmington Hills, MI. August 4, 2011 - LinTech Global, Inc (LinTech) announces the award of the 8(a) Streamlined Technology Acquisition Resources for Services II (STARS II). Under this contract, LinTech is eligible to provide Information Technology (IT) services or IT services-based solutions for the next 10 years to Government wide agencies. With a \$10 Billion ceiling, 8(a) STARS II is a GWAC vehicle for fulfilling Agency Small Business goals. LinTech was awarded all four functional areas:

- FA1: 541511 - Custom Computer Programming Services
- FA2: 541512 - Computer Systems Design Services
- FA3: 541513 - Computer Facilities Management Services
- FA4: 541519 - Other Computer Related Services

“This is another great win for LinTech. With this contract vehicle, along with our strategic partners, we can bring immediate values to the agencies with superior quality of services.” said Michael Lin, President and CEO of LinTech. Michael added, “We are very excited having the opportunity to bring our innovative solutions to Civilian and DoD agencies in the next decade. I am very proud that the GSA has made important decision in selecting an elite group of small businesses for the federal agencies with the goal to bring in innovative solutions and generate great saving for the government”.

About GSA 8(a) STARS II

A multiple-award, indefinite-delivery, indefinite-quantity (IDIQ) contract vehicle with a five-year base with one five-year option. It has a \$10 billion program ceiling with limited protestability. It allows for Directed Order Authority & Directed task orders up to \$4 million each for federal civilian and Department of Defense activities. 8(a) STARS II allows for 8(a) socioeconomic credit transferrable to the agency, pre-competed, easy-to-use contracting, with access to proven 8(a) small business technology providers. It has shortened procurement lead times and a low user access fee (0.75 percent) built into contractor's ceiling prices.
