**LinTech Global Awarded
eFAST Contract from Federal Aviation Administration**

Farmington Hills, MI. July 21, 2001 - LinTech Global, Inc (LinTech) announces the award of a Master Ordering Agreement (MOA) for the Electronic FAA Accelerated and Simplified Tasks (eFAST) program. Under this Blanket Purchase Agreement contract, LinTech is eligible to provide Information Technology, Engineering and Business services for the next 7 years to FAA. With a \$2 Billion ceiling, eFAST is the FAA's preferred acquisition vehicle for fulfilling Agency Small Business goals. eFAST program has a base period of 5 years through September 30, 2016, with 2 options of one year each. LinTech was awarded 5 functional areas including:

- Business Administration & Management (BAM)
- Engineering Services (ES)
- Computer/Information Systems Development (CSD)
- Computer Systems Support (CSS)
- Documentation & Training (D&T)

LinTech delivers skilled Information Technology and Engineering services to federal departments and agencies. LinTech is dedicated to exceeding customer's expectations by leveraging uniquely qualified people – yours and ours, coupled with the most appropriate technologies and distinctive quality control processes.

"LinTech is thrilled to receive this award and very excited to have this opportunity to provide continued support to FAA through this contract vehicle" said Michael Lin, President and CEO of LinTech. Michael added, "Under this contract, we will work closely with our teaming partners, Plan Systems International, Inc. and LongView International Technology Solutions, Inc., to bring our CMMI and ISO 9001 certified processes and exceptional employees to solve FAA's complex mission support challenge. LinTech looks forward to making an impact in delivering high quality services and innovative solutions to the FAA.
