

LinTech Global Awarded GSA Schedule IT 70 Contract

Farmington Hills, MI - April 7, 2010 – LinTech Global, Inc. (LTG), a Michigan based company that provides IT consulting and support services in the areas of Business Intelligence, Enterprise Call Center, and Help Desk, has been awarded an Information Technology Schedule 70 contract by the U.S. General Services Administration (GSA). The five-year contract streamlines the ability of Federal customers to purchase LTG’s consulting, programming and IT support services.

“We are pleased and proud of this award and opportunity,” explains Michael Lin, LTG’s President and CEO. “LinTech Global is the ideal partner for local, state and federal government agencies because we work vigorously for our clients to reduce costs, increase productivity, and solve complex problems with a mix of IT expertise, creative thinking, and excellent service.”

To qualify for the GSA IT Schedule 70 award, LinTech had to first undergo a prolonged and intense process of screening and evaluation. The GSA not only demands a high standard of technical proficiency and skill, but it also requires vendors to meet stringent criteria for customer satisfaction, performance history, and affordable competitive pricing. LinTech delivers proven, mature software development and maintenance services covering all phases of the software development life cycle (SDLC) and strategic IT sourcing services.

The company serves clients by attacking complex problems with thoughtful analysis, strategic planning, precise execution, attractive pricing, and personalized attention to customer needs. For more than 8 years the company has established a stellar reputation and track record, and the LTG client list includes IBM, Blue Cross Blue Shield, Deloitte, and Wells Fargo. As Michael Lin describes, “We have the tools, personnel and processes in place to support local, state and federal agencies’ mission critical applications.”

Federal, State and local agencies can obtain information about LTG's GSA IT Schedule 70 contract services on the GSA Advantage web site at: www.gsaadvantage.gov (search for Contract Number: GS-35F-0343W) or by contacting LinTech Global directly at 248-432-2760. LTG’s services are offered under the Special Item Number (SIN) 132-51, Information Technology Professional Services and the award is effective March 26, 2010 – March 25, 2015.
